

CAPSTONE

ELITE TRIM

Capstone Elite Trim Brings Together Gorman Elite-Grade Pine and Russin Factory Finishing in a single, purpose-built trim product.

THE FOUNDATION

- Elite-grade knotty pine boards
- Smooth faces with eased edges
- Solid, full-length boards
- Multiple widths available

THE PROCESS

- Factory-controlled finishing process
- Oil primed & latex painted in temperature controlled facilities
- Consistent coverage

THE RESULT

- Uniform finish
- Installs cleaner
- Performs more consistently than standard finish trim
